DAY 1: KUL - Copenhagen

DAY 2: Arrival Copenhagen (MOB/-/D)

Arrive in Copenhagen and dive into the city's charm with a guided tour of its highlights. Begin at [TorvehallerneKBH] market, exploring Danish delicacies, before heading to [Rosenborg Castle] for a glimpse of royal grandeur. Marvel at [The Little Mermaid] statue, a tribute to Hans Christian Andersen, and the impressive [Gefion Fountain] nearby. Visit [Amalienborg Palace], the royal winter residence, then stroll along [Nyhavn] for a scenic lunch by the colorful waterfront. Wrap up with shopping on [Strøget] and a stop at [Christiansborg Slot] before settling in for an overnight stay in Copenhagen, ready for the journey to Greenland.

DAY 3: Copenhagen - Nuuk - Ilulissat (B/MOB/D)

Today, we depart Copenhagen and fly to Ilulissat, known as the glacier city of Greenland. Upon arrival, a welcome meeting will be held to introduce the exciting activities planned for the coming days. In the afternoon, we'll embark on a Small Town Cultural Tour of Ilulissat, a picturesque town surrounded by glaciers. As we stroll through [Zion Church], local museums, and along the docks bustling with fishermen, we'll get a unique glimpse into Inuit life and the town's rich history. In the evening, enjoy a special welcome dinner at the hotel, featuring Greenlandic cuisine as the Arctic dusk sets the sky aglow with hues of gold, orange, and deep blue. Later, we'll venture out on a thrilling boat trip to view the midnight sun, sailing close to the [Ilulissat Glacier] and witnessing massive icebergs in the icy waters—a mesmerizing introduction to Greenland's awe-inspiring landscapes.

DAY 4: Ilulissat (B/-/)

This morning, we'll hike to the [Ilulissat Icefjord] to experience the most active glacier in the Northern Hemisphere. The glacier produces an incredible 40 million tons of ice daily, creating a truly awe-inspiring sight as massive icebergs accumulate in the fjord. Recognized as a [UNESCO World Heritage site] in 2004, this location embodies the very essence of Greenland's natural wonders. In the afternoon, we'll set sail in [Disko Bay] to search for whales, especially during summer when humpback and minke whales thrive in the waters, making for an unforgettable whale-watching experience.

★ Hike to see Ilulissat Icefjord!

★ The Dramatic Calving Icebergs! [Aitch Glacier]

DAY 5: Ilulissat (B/L/-)

Today, we journey to the [Aitch Glacier], where we'll witness one of nature's grandest spectacles: the calving of massive icebergs. Located 80 kilometers north of Ilulissat, this 2.8-kilometer-wide glacier frequently releases towering icebergs, accompanied by a thunderous roar and massive waves. This close-up experience allows us to feel the power and beauty of Greenland's icy landscapes in a truly immersive way.

DAY 6: Ilulissat (B/-/)

Our adventure continues as we take a boat to [Yilu], an 18th-century Inuit fishing village with only 28 residents. Here, time seems to have stood still, and we'll experience the simplicity of Greenlandic village life, where hunting is still a main livelihood. Upon returning to Ilulissat in the afternoon, you'll have free time to explore the town further. Take the opportunity to enjoy Greenlandic cuisine, stroll through local shops, and find unique souvenirs like [Greenlandic carvings and sweaters].
